

**BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF AND OVERHEAD - \$ 1600.00**

*Our services include: conducting the arrangement conference; planning the funeral; consulting with family and clergy; shelter of remains; preparation and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)*

**EMBALMING - \$ 975.00**

*Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. If there will be a public viewing of the deceased, it is the policy of Brown's Memorial Funeral Home to embalm the body. You may decline these services by either making other arrangements or selecting other services...*
